COMPLAINT

(Claim of Unconstitutionality)
(Demand for Jury Trial)

28 U.S. Code § 2403 Certification
Requested by Clerk RE O.R.C. 2911.21

COMPLAINT

1. Plaintiff Jose Maria DeCastro ("Plaintiff" or "I"), a member of the press who was investigating police corruption in Ironton Ohio, was recording police and peacefully protesting, in exercise of his first amendment rights, at the Ironton Ohio City Hall in the Lawrence County of Ohio. Defendants, under the guise of enforcing the city hall's business hours and disorderly conduct, after wrongfully denying Plaintiff a permit which Plaintiff protested against, without reasonable suspicion that Plaintiff was involved in any criminal activity, without probable cause of Plaintiff having violated a crime, and without a warrant, did interfere with and rob Plaintiff of his liberties while he was in a place that he was lawfully allowed to be, while Plaintiff was

1 performing constitutionally protected activities. The officers arrested, battered, handcuffed,
2 searched Plaintiff and his possessions without a warrant, and seized and destroyed his property.

3 2. Sadly, the abusive treatment Plaintiff endured for merely asserting his rights and
4 recording the police is not unusual or surprising. This civil rights action seeks to vindicate
5 Plaintiff's constitutional and statutory rights and hold the officers and their departments
6 accountable for biased policing practices and the policies (or absence of policies) that resulted in
7 these practices.

3 this complaint to show the true name and capacity of Samantha if and when the same are
4 ascertained. Doe #8 is believed to be Samantha’s supervisor.

5 13. Doe Government Entity is the employer of Doe #1 and Doe #8. Most likely to be the
6 Ironton Municipal Court created under Ohio Rev. Code §§ 1907.01 through 1907.57 or

1 Doe Defendants.

2 16. Plaintiff is informed and believes and thereon alleges that at all times herein mentioned

4 and/or employee of each of the other Defendants, and in doing the things hereinafter alleged was
5 acting within the course and scope of such agency and employment.

6 17. Plaintiff is informed and believes, and thereon alleges, that each of the Defendants was
7 at all material times an agent, servant, employee, partner, joint venturer, co-conspirator, an/or
8 alter ego of the remaining Defendants, and in doing the things herein alleged, was acting within
9 the course and scope of that relationship. Plaintiff is further informed and believes, and thereon
10 alleges, that each of the Defendants herein gave consent, aid, and assistance to each of the
11 remaining Defendants, and ratified and/or authorized the acts or omissions of each Defendant as

16 JURISDICTION AND VENUE

17 18. This Court has jurisdiction over this action pursuant to 28 U.S.C. §§ 1331 and

21 Constitution, pursuant to 42 U.S.C. §§ 1981, 1983, 1985, and 1988. This Court has supplemental
22 jurisdiction over the claims arising under Ohio, Nevada, and Common law pursuant to 28 U.S.C
23 § 1367(a). Claims for federal law violations also fall within the jurisdiction of this Court.

1 Doe Defendants.

16 JURISDICTION AND VENUE

17 18. This Court has jurisdiction over this action pursuant to 28 U.S.C. §§ 1331 and
18 1343(a)(3)-(4) because it arises under the Constitution and laws of the United States, as it is

Additionally, this court has federal diversity jurisdiction under 28 U.S.C. § 1332. The amount in controversy exceeds the sum or value of \$75,000, exclusive of interest and costs, and there is complete diversity of citizenship between the parties.

19. This Court is the proper venue pursuant to 28 U.S.C. §§ 1391(b)(2-3) because the defamatory conduct of defendants outside of this forum has reached potential customers of Plaintiff in this forum. The defamatory conduct of defendants was targeted at law enforcement personnel in this forum for the purpose of injuring Plaintiff in this forum. Plaintiff has suffered economic harm in this forum. Defendants operate a criminal syndicate giving this court jurisdiction under Nev. Rev. Stat. § 14.065 and Nev. Rev. Stat. § 207.400 and 18 U.S.C. § 1965 (b).

GENERAL FACTUAL ALLEGATIONS

20. The majority of the factual allegations were broadcast to YouTube, for transparency of my investigation of government corruption in the city of Ironton Ohio. Where I report actions of entities, I leave out accidental actions. All actions are therefore alleged to be deliberate. Where actions harm others, they are alleged to be with malice and through the totality of the circumstances it is proven. At all times, defendants lacked qualified immunity or other privileges. Plaintiff hereby makes the following factual allegations:

21. **March 21, 2022.** I headed to Ironton Ohio to investigate claims by Sarah Page (“Page”) that she had been stalked and had her rights violated repeatedly for multiple years by Police in retaliation for Page accusing McKnight of stealing a wallet.

22. I visited the IPD station and talked to Wagner about the harassment of Page and to file a complaint. Wagner admitted to having viewed the videos of Page's incident. Wagner asked me to leave and she walked away.

22. I visited the IPD station and talked to Wagner about the harassment of Page and to file a complaint. Wagner admitted to having viewed the videos of Page's incident. Wagner asked me to leave and she walked away.

1 23. Shortly after, I went to the Ironton Municipal Court where I was battered by court
2 officer Mark Harmon and court officer Rick Robinson who threatened to arrest me if I didn't
3 leave a public area because I was somehow interfering with what was going on in an adjacent
4 room. John Doe officer refused to identify himself. Three other employees refused to provide
5 John Doe's name, including Judge Kevin Waldo ("Waldo"). Before being elected as the judge of
6 the municipal court, Waldo was the assistant prosecuting attorney for Lawrence County and
7 Ironton City Council member.

8 24. Shortly after, in the IPD parking lot, Page asked Wagner for complaint forms. Wagner
9 again refused to take a complaint, lied that there were complaint forms on the IPD website, and
10 said, "If you moved forward with a false police report, you can be prosecuted for it." (As of the
11 date of this complaint, there are still no complaint forms available on the IPD website.)

12 25. **March 22, 2022.** I returned to the Ironton Municipal court to talk to Waldo about the
13 corruption of his Police. On the way in, I verbally confronted Fouch for violating people's rights,
14 as he was one of the ones harassing Page. Fouch and I discussed meeting at the gym for a
15 wrestling match.

16 26. After leaving my meeting with Waldo, I stopped for coffee where I spoke to a citizen
17 and told him that I wanted to talk to people who had issues with the IPD. The citizen said that it
18 would not be hard to find people out on the street who have complaints about the IPD.

19 27. Later, I verbally confronted McKnight outside of the IPD station, for stealing Page's
20 wallet. I confronted one of the Blankenships (there are two at the IPD), asking if it was true that
21 his father was a drug dealer, and asked McKnight if he'd blinded mail carrier Teresa Ward
22 ("Ward"), referring to when he had illegally pepper sprayed Ward, which still affects her vision.
23 I also had a chance to ask Wagner if she was going to watch my video premiere of Page's story,

23 I also had a chance to ask Wagner if she was going to watch my video premiere of Page's story,

1 and Wagner said, "I don't do videos."

2 28. After my video premier on Page, eleven people reached out to me with complaints
3 about the IPD, with the majority of the complaints being about McKnight, followed by Wagner,
4 and then a Blankenship and Fouch. The majority of the complaints were about pretextual stops
5 and excessive force. Many victims of the IPD had scars on their wrists and suffered neuropathy
6 from abusive handcuff procedures. Additionally, the majority of them were afraid of further
7 retaliation and wanted me not to reveal their names. There are also many complaints about
8 misdemeanor arrests. At the Jail, there are numerous complaints about illegal body cavity
9 searches without reasonable suspicion, overcrowding, and unnecessary violence from guards and
10 prisoners. There was a significant number of people mentioning the phrase "squat and cough" in
11 relation to body cavity searches. The Ironton Tribune interviewed Sheriff Tim Sexton in 2005,
12 who admitted to overcrowding, and that the jail was originally built to house only 52 inmates.

13 29. **March 23, 2022.** I went with Page to file a complaint with the Sheriff about the
14 violation of Page's civil rights. We met with Sheriff Jeff Lawless ("Lawless"), who was also the
15 previous warden at the jail. At this time, I'd communicated with approximately 50 people who
16 had similar stories of their rights being violated by the IPD.

17 30. Later, I published interviews with two victims of the IPD. The abuses by the IPD
18 included excessive force and illegal seizure. I also interviewed Chance Blankenship's own brother,
19 Derik, whom Branden Blankenship arrested.

20 31. In the evening, I published an interview with a victim of Jason Newman. Newman is an
21 officer at the Sheriff's office. The victim has filed a civil rights lawsuit.

22 32. **March 24, 2022.** I published interviews of two victims of McKnight and a
23 Blankenship. Also, an interview with a family member of Larry Kinstler. Kinstler filed a civil

1 and Wagner said, "I don't do videos."

22 32. **March 24, 2022.** I published interviews of two victims of McKnight and a
23 Blankenship. Also, an interview with a family member of Larry Kinstler. Kinstler filed a civil

1 rights lawsuit against the county after being beaten and choked in the Jail by guards. Kinstler
2 won the suit and suspiciously died a few days later.

3 33. Deputy Jeremy Hanshaw ("Hanshaw") is famous for being indicted by the DOJ for
4 being captured on video choking the above-mentioned Kinstler at the Jail. After being found
5 innocent of the criminal charges, Hanshaw was placed as the resource officer at Ironton High
6 School. Lawless said because of the union agreement, he had to return Hanshaw to work since he
7 was found innocent. However, one of Hanshaw's co-defendants was terminated because he
8 hadn't been a deputy long enough to have union protection. The deputy fired contributed far less
9 to the abuse than Hanshaw.

10 34. Another victim was a high school kid who had been sleeping in front of the school in
11 his truck. Hanshaw did a wellness check on him which included forcing the victim's truck door
12 open and when the victim grabbed for his phone to record the incident, Hanshaw "double-handed
13 choked" the victim over his center console, pulled him out of the car, handcuffed him and
14 arrested him. The high school kid was strip-searched at the jail.

15 35. I also interviewed the family members of a victim who was tased and beaten by
16 McKnight and a Blankenship. The family members had recorded the beating, but Wagner was
17 called to the family's house, where Wagner demanded the family members delete the recordings
18 or they would have their devices taken, after which the family members did delete the
19 recordings.

20 36. A victim was arrested on his own property, without a warrant, for openly carrying a
21 firearm by Hanshaw, who said "I hate you wannabee YouTube stars."

22 37. I interviewed a woman who spat her long hair out of her mouth while being processed
23 at the county jail which resulted in a Spoljaric choking her until a female employee named Joy at

1 rights lawsuit against the county after being beaten and choked in the Jail by guards. Kinstler
2 won the suit and suspiciously died a few days later.

3 33. Deputy Jeremy Hanshaw ("Hanshaw") is famous for being indicted by the DOJ for
4 being captured on video choking the above-mentioned Kinstler at the Jail. After being found
5 innocent of the criminal charges, Hanshaw was placed as the resource officer at Ironton High
6 School. Lawless said because of the union agreement, he had to return Hanshaw to work since he
7 was found innocent. However, one of Hanshaw's co-defendants was terminated because he
8 hadn't been a deputy long enough to have union protection. The deputy fired contributed far less
9 to the abuse than Hanshaw.

10 34. Another victim was a high school kid who had been sleeping in front of the school in
11 his truck. Hanshaw did a wellness check on him which included forcing the victim's truck door
12 open and when the victim grabbed for his phone to record the incident, Hanshaw "double-handed
13 choked" the victim over his center console, pulled him out of the car, handcuffed him and
14 arrested him. The high school kid was strip-searched at the jail.

15 35. I also interviewed the family members of a victim who was tased and beaten by
16 McKnight and a Blankenship. The family members had recorded the beating, but Wagner was
17 called to the family's house, where Wagner demanded the family members delete the recordings
18 or they would have their devices taken, after which the family members did delete the
19 recordings.

20 36. A victim was arrested on his own property, without a warrant, for openly carrying a
21 firearm by Hanshaw, who said "I hate you wannabee YouTube stars."

22 37. I interviewed a woman who spat her long hair out of her mouth while being processed
23 at the county jail which resulted in a Spoljaric choking her until a female employee named Joy at

1 the jail told him to stop, shortly before the woman passed out. The woman was arrested for being
2 the victim of a domestic violence complaint and the charges were dropped before her first
3 hearing. At another time the same woman was arrested for an out-of-date warrant even though
4 the woman had evidence that the warrant had been quashed. This woman is one of the victims
5 with scars on her wrists and neuropathy.

6 38. I heard from parents that were pulled over by McKnight for "leaving a known drug
7 area". Multiple times McKnight pulled the couple over, and he asked the passenger for a driver's
8 license each time. One time, their front door was kicked in by the Police for a bench warrant on
9 one of the parents, the officers pointed their weapons at the other parent and said that the couple
10 "have no rights".

11 I also heard from citizens who claimed the Police were corrupt and confiscating drugs for
12 their own use. This was later proven when IPD officer Brad Spoljaric admitted to doing this.

13 39. I interviewed a first cousin of the Blankenship officer brothers who said that officers of
14 the IPD are bringing women to the IPD station and having sex with them to have tickets dropped.
15 The officers named by this man were McKnight and Hanshaw. This man also reported
16 occasional overpopulation of the jail with over 100 inmates. He also said that after having an
17 inmate use their hands to spread their butt cheeks and lift their scrotum, the inmate next has to
18 put their dirty fingers in their mouth. This man also continues to be harassed and retaliated
19 against because he started a Facebook page critical of the IPD. To corroborate this story, I also
20 had a telephone interview with a person who reported that IPD officer Joe Akers ("Akers") had
21 sex with an intoxicated woman who came to the IPD station to make a report.

22 40. By this time, I'd heard from over 100 citizens with complaints about police, county
23 sheriffs, and corrections officers.

23 sheriffs, and corrections officers.

1 41. Later, I was informed by multiple citizens that the Police were having a private meeting
2 regarding my presence in the city at "The Armory".

3 42. Multiple people reported that the Ironton PD maintains a list of people that they harass.

4 43. **March 25, 2022.** WOWK-TV, the CBS channel 13 news in Ironton, reported "Ironton
5 PD says that both Ironton High School and Ironton Elementary School are on a soft lockdown.
6 They say the lockdown is due to a 'concerning' video from [Plaintiff] that was sent to a student or
7 a parent." Later the same day, the news station confirmed with the school superintendent that the
8 reporting was not accurate. No schools in the district were under lockdown. A reporter with
9 WOWK-TV also confirmed with me that they found that I didn't send any video.

10 44. My reputation was harmed by this defamatory claim, including statements from school
11 leaders saying that they were "hyper-aware" of my presence in the community. This report also
12 led to my being harassed, including being threatened on the streets of Ironton by an angry parent.
13 Yahoo Money picked up the false story by the Ironton Tribune, who never listed a retraction.
14 Later the same day, WOWK-TV reported further false attacks on my character by the IPD,
15 saying, "According to Ironton Police, a local restaurant closed out of safety concerns, and at least
16 two other restaurants asked YouTuber Chille DeCastro to leave." This further harmed my
17 reputation.

18 45. I went to the mayor's office and attempted to get a meeting with Mayor Sam Cramblit
19 ("Cramblit") but was unable to. Cramblit's own father and paternal grandmother had both filed a
20 § 1983 claim against the IPD in the 1990s. (While in Ironton, I would visit the Mayor's office
21 almost daily to try to get an interview with Cramblit, but he always avoided me. At one time, he
22 literally ran away from me and hid around a corner.)

23 46. I interviewed a woman that said she was raped by the Horsecreek Riders Motorcycle

1 Club, which works with the Blankenship family dealing drugs. When the woman went to file a
2 report with the IPD, she was interviewed behind the station and warned not to file the report, or
3 the motorcycle club would come for her family.

4 47. I interviewed a man who was arrested by Spoljaric for disorderly conduct for being
5 annoyed and refusing to leave a public area after a "lawful order" to do so. Once in jail, the man
6 was beaten up by the jailers, put in a restraint chair at the jail for several hours, and told to pee
7 himself, which he did.

8 48. I tried to interview Blankenship and McKnight. Blankenship said, "No comment".
9 McKnight tried to order me from the public street.

10 49. In the evening, I found Akers, of the IPD, dressed in civilian clothes and driving a
11 Chevy pickup, following me around when I turned around and confronted him.

12 50. I interviewed Angela Ratcliff who was handcuffed and then tased in her back while in
13 handcuffs, in her own porch. Ratcliff was one of many people who reported that when the Police
14 show up for a domestic disturbance, they arrest everyone, not just the abuser. She had also been
15 strip-searched in jail, even though she was arrested for domestic abuse and not drugs. Ratcliff's
16 family member also told stories of being arrested and was one of many people who reported that
17 when arrested in Ironton, the Police take cash that you're carrying and keep it.

18 52. **March 26, 2022.** A confidential informant called me and told me that the Blankenships
19 planned on planting drugs on me and arresting me.

20 53. **March 27, 2022.** I interviewed Eugene Aldridge who said the IPD barged into his
21 house, looking for his brother. Aldridge was arrested for refusing to aid in the investigation and
22 charged with felony harboring a fugitive. Aldridge was required to lay on his cuffs in the back of
23 the car, causing bruising on his wrists. He was also strip-searched at the county jail. Aldridge

2 lift his scrotum, by the same officer that arrested him. Aldridge said that the jail was
3 overcrowded with over 100 people in the jail. The police found his Aldridge's brother two days
4 later, not in Aldridge's house. Aldridge was denied a jury trial and found guilty, mostly because
5 the police report said that Aldridge had admitted to being guilty, which Aldridge hadn't done.

6 54. Spoljaric pulled his car up and pointed his headlights at me while I was parked at a gas
7 station, to intimidate me. I verbally confronted him, and he admitted to maintaining a log of my
8 location and activities.

9 55. I published an interview with Beth Rist, the first female police officer in Ironton. She
10 witnessed Wagner unnecessarily kicking Jesse Johnson in the leg while he was sleeping outside.
11 Rist had been hit in the back randomly by IPD Officer William Garland, for which she was
12 offered a cash settlement. Rist witnessed IPD Officer Rich Atkins pull a handcuffed subject out
13 of his patrol car and beat him for flicking a cigarette into the front seat. At the time, when Rist
14 would report violations, she was told not to rock the boat. She was investigating a murder once,
15 and while she was writing up the report, her fellow officers were rummaging through the house
16 stealing guns and cash. Rist witnessed IPD Officer Chad Gue ("Gue") unnecessarily hit a subject
17 in the back of the head to get the subject into the back of a car. IPD Officer Grover Carter would
18 regularly steal guns from the evidence room, and it was common knowledge among the IPD.

19 56. **March 28, 2022.** I interviewed a citizen that told me the story of Carl Clutters. Clutters
20 had died in Lawrence County Jail due to a subdural hematoma from hitting his head from being
21 pushed into his cell by a guard. Clutters was also being denied his medication. Clutter's family
22 sued for civil rights violations and won a settlement.

23 57. I interviewed a citizen who said he was arrested for using derogatory words about a

1 police officer. He was subsequently denied his medication in jail and had a seizure as a result.
2 All his money was also stolen. He was also beaten by guards while in a restraint chair and tased
3 in the back while handcuffed. This man also said that his uncle was beaten by guards while in
4 jail. Finally, this man was one of several who reported to me that guards pay inmates to beat up
5 other inmates and the guards disable cell cameras to enable the beatings.

6 58. I interviewed a citizen who said her father had been arrested for possession of illegal
7 drugs and is being confined in a rehab facility as a condition of bail. I heard from other citizens
8 that Judge Waldo gives a similar post-conviction order.

9 59. I was told by several citizens that Waldo sends victims to rehab clinics that Judge Andy
10 Ballard benefits from, and that Ballard sends victims to rehab clinics that Waldo benefits from. I
11 was also told that commissioners, judges, and prosecutors benefit from the local rehab clinics.

12 60. I interviewed Donald Roberts, a relative of IPD officer Joe Akers, who felt above the
13 law due to that association. I witnessed Roberts batter a colleague member of the press who was
14 standing there filming. Roberts also assaulted me, threatening to murder me. I reported the
15 incident to IPD Officer Steve Wilson. Roberts was not cited. This attack was the result of IPD
16 and WOWK-TV's defamatory reporting.

17 61. There was a small group of Ironton citizens and IPD officers that did a "back the blue"
18 rally in downtown Ironton, targeting me and my presence in town. This rally was additionally the
19 result of IPD and WOWK-TV's defamatory reporting.

20 62. **March 29, 2022.** I published security camera footage showing Sheriff's Deputy
21 Jonathan Spojaric, who was responding to a 911 call that Kent Freeman had made. Spojaric
22 pepper sprayed Freeman from the porch when Freeman refused to immediately exit his own
23 home. Spojaric tased Freeman repeatedly for pain compliance while Freeman declared his

2 the incident and filed a § 1983 claim in April of 2022 that is still ongoing.

3 **63. March 29, 2022 Unlawful Arrest of Plaintiff.** At 3:05 P.M., I entered the Ironton City
4 Hall, a traditional public forum at 301 South 3rd Street, Ironton, Ohio 45638, through an
5 unlocked door.

6 64. Less than a minute later, I inquired about renting the common area of the city hall with
7 an employee behind a service window. The employee stated that the Mayor's office does that. I
8 mentioned that Cramblit had been avoiding me, but was told that Cramblit's secretary handles it,
9 and not Cramblit himself.

10 65. At 3:07 P.M. I reached Cramblit's office upstairs and was told that he had left for the
11 day already. I inquired about renting the lobby area. I was told that I would be given a piece of
12 paper to fill out. I was then given conflicting information that Cramblit had to approve the
13 request, so that I would be unable to rent the space today. I mentioned that since I'd been in
14 town, I'd been unable to get ahold of Cramblit and demanded that Cramblit be called on the
15 phone for authorization, or he could do a signature remotely. I continued to protest against the
16 violation of my right to use the public space. I offered to pay a fee and filled out the application,
17 checking the "Assemblage" box to rent the lobby starting at 3:15 P.M. on March 29, 2022. I left
18 the ending time blank. I updated my team and my invite for the constitutional rights class that I
19 had planned with the new location, expecting that we would be allowed to use the space without
20 our rights being violated, and that Cramblit would do the right thing and authorize the request.

21 66. At 3:16 P.M. I saw a sign erected by the City of Ironton in the City Hall that said that
22 "ANDERSON & ANDERSON, LAW FIRM" was a proud supporter of the IPD. Ironton
23 Prosecutor Brigham Anderson ("Anderson") is a member of this law firm, which clearly has

1 innocence and begged Spoljaric to stop tasing him. Freeman experienced a heart attack during

1 contributed financially to the IPD, creating a conflict of interest.

2 67. At 3:21 P.M. I exited the City Hall to ask someone to lock up my gun, after witnessing
3 a no weapons sign in the City Hall. I re-entered the building about a minute later, through an
4 unlocked door.

5 68. While waiting for people to attend the constitutional rights class, I continued to ask for
6 attendees to remain peaceful and non-violent.

7 69. At 4:20 P.M. an unknown person with unknown status and unknown authority said that
8 "We have a policy here, that if you want to rent the building, it has to be approved [with] 24

10 different fabrications that continued to escalate the denial of my rights. First, that Cramblit's
11 secretary could approve the usage of the space. Then, Cramblit himself had to authorize the
12 space. Then, Cramblit had conveniently left early, unable to authorize the use of the space. After
13 I demanded that they get Cramblit to remotely authorize the space, this unknown person
14 approached me and would have me believe that even after they got ahold of Cramblit for
15 authorization, that Cramblit had suddenly fabricated a new "policy" requiring 24 hours' notice.
16 A citizen, in a position to know, confirmed with me that the lobby was regularly used for
17 weddings and birthday parties.

18 70. At 4:58 P.M. the lights were turned off in the lobby, to further interfere with my right to
19 use the lobby. The public facing lobby door was still unlocked and the building was still open to
20 the public, with members of the public besides me still in the building lobby.

21 71. At 4:59 P.M. Pam Wagner entered the back door from the IPD station, followed by five

18 70. At 4:58 P.M. the lights were turned off in the lobby, to further interfere with my right to
19 use the lobby. The public facing lobby door was still unlocked and the building was still open to
20 the public, with members of the public besides me still in the building lobby.

21 71. At 4:59 P.M. Pam Wagner entered the back door from the IPD station, followed by five
22 IPD officers. I started filming them.

23 72. At 4:59 P.M. and 32 seconds, Wagner raised her right hand and said, “Jose M.

1 DeCastro, cease and desist your disorderly conduct, or you will be arrested.” I was engaging in
2 no disorderly conduct, but just standing there holding a camera. At the time, the public facing
3 lobby door was still unlocked and the building was still open to the public, with members of the
4 public besides me still in the building lobby.

5 73. I said, “I’m more than willing...” but Wagner yelled over me. Wagner yelled “Jose M.
6 DeCastro”, and she paused. I said “I hear you. I hear you ma’am.” Wagner then continued with
7 “Vacate right now or you will be arrested.” It was 4:59 P.M. and 44 seconds when she finished
8 saying this. I did not feel free to leave, due to her commands and hand gestures, which were an
9 open hand indicating stop followed then by a raised finger. I was not afforded an opportunity to
10 leave the building or an opportunity to ask if I was being threatened with trespass.

11 74. I said, “I’m more than willing to go with you.” Wagner then started repeating herself,
12 “Jose M. DeC...”, before she realized what I said. Wagner then said, “You will?”, and then
13 motioned me toward her with her fingers. She said, “Let’s go!”.

14 75. I said, “If you’re going to arrest me?”. They did confirm that they were going to arrest
15 me by not denying it and Wagner then waved me toward the back door to the IPD. Additionally,
16 the other officers kept approaching me. I then said in a calm voice, to indicate my compliance,
17 “If I’m under arrest, I’ll go with you.” It was 4:49 P.M. and 51 seconds when I finished saying
18 this. Immediately after I said this, McKnight said, “Put your hands behind your back. You’re
19 under arrest.” It was 4:49 P.M. and 53 seconds when he finished saying that. I started protesting
20 for specific medical needs, that I couldn’t be handcuffed behind my back while also continuing
21 to voice my compliance in a calm voice, and the officers all escorted me calmly through the back
22 door of the lobby into the IPD station. Spoljaric offered to handcuff me in the front. At the time,

4 unnecessarily grabbed, with unnecessary force, by McKnight who tried to handcuff me in the
5 back. Spoljaric advocated for handcuffing me in the front, and once McKnight let go of me after
6 I pleaded multiple times, I was handcuffed in the front. The officers took my cell phone, which
7 was an iPhone 12 Max Pro.

8 77. There were other members of the public in the building. None of them were arrested,
9 even though Wagner had to step around one of them to confront me. I had no intention of
10 trespassing, disorderly conduct, or resisting arrest. I did not engage in disorderly conduct, I did
11 not resist arrest, and I did not trespass. I did not witness any owner or duly authorized person ask

107. The factual allegations show that I was intentionally deprived of my liberty, that I was aware of my confinement, I did not consent to the confinement, and the officers lacked privilege or a warrant to confine me. I was not trespassing as the building was still open to the public. I was not engaging in disorderly conduct in that I was simply standing there exercising my First Amendment rights by filming the police in a traditional public forum. I was speaking in a calm voice and encouraged my constitutional class members to be peaceful and non-violent. Finally, I did nothing to resist arrest, and in fact continued to voice my compliance. Defendants only needed to give me clear verbal commands and did not need to touch me for my compliance. Further, even if I'm found guilty of trespass, it's only as a direct and proximate result of being denied equal access to the City Hall, and due to trespass statutes being enforced or codified contrary to the civil rights guaranteed by the United States Constitution.

108. I was harmed as a direct and proximate result by being deprived of my liberty for a period of time, being unable to do what I wanted or go where I wanted.

109. Defendants' malicious, oppressive, and despicable conduct, carried out in a full and conscious disregard for my rights and safety entitles Plaintiff to punitive damages and penalties allowable under 42 U.S.C. § 1983 and Ohio and Nevada law in an amount sufficient to punish and deter such conduct.
